

JUNE 2021

**First Grade Newsletter**

Dear Parents,

Now that we are racing to the finish line marking the end of Distance Learning, there are several things we need to do to officially close the school year.

**On Friday, June 25 we would like you to Return all Montessori materials and other work your child has done this semester.** This includes all Montessori materials that were loaned to you as well as all worksheets, composition books and workbooks your child has worked on this semester.

Please return these materials between **12 noon to 1:00 on Friday the 25th**. Please put all of your child's materials in a single bag or box labelled with your child's name.

I need to use these materials to write Report Cards so I would appreciate having them at this time. I have also **TENTATIVELY ARRANGED for our class picture** to to be taken at that time. I will confirm the date and time next week.

**On July 7th, you can return to school to pick up your child's report card as well as other items your child might like to have as keepsakes of our "year" together.**

There is also a rumor going around school ... some kind of party ... Ice Cream? ... or was it ice cubes? ... or maybe it was about a math facts contest... You know how I sometimes have trouble with my memory ... so I guess you just have to show up at the Adrian Site in Room #5 and see what happens.

Please accept my sincere thanks for your cooperation and support during these interesting times. Wishing you and your family a wonderful summer vacation, no matter where it is: on a lake or island; archipelago or on a chain of lakes; a strait or an isthmus; a cape or a bay or on a peninsula or gulf. Be well and happy!!

Toni
