

# MONTESSORI CHILDREN'S HOUSE OF HAYWARD

## NEWSLETTER – FEBRUARY 2018

### Kindergarten Room#2

Dear Parents,

January did prove to be a peaceful month. The children are firmly settled into an academic routine. For M.L. King Jr. Day it was nice to see our kindergarteners sing and march around campus holding peace signs. We read a book about Dr. King and also spoke about many other leaders who have done so much for peace.

#### UPCOMING IN FEBRUARY:

February, though a short month, is filled with little events, and of course, the biggest event of all, the Dragon Parade. Each year the Kindergarten children become the dragon for our parade. Our children will spend time learning about Chinese New Year and working on the dragon. The children add something new to the sixteen year old dragon each year. The parade is scheduled for February 23 at 11:30 am. You are all encouraged not to miss this wonderful opportunity to photograph. We plan on having the parade, rain or shine. Thanks to our roofed walkway if the clouds are generous that day. We are asking the children to wear red on the day of the parade.

On February 9<sup>th</sup>, our classroom will celebrate our 100 days in school.

On the evening of Tuesday the 13<sup>th</sup>, our Kindergarten will be hosting Dad's Night. This is a very special opportunity for fathers to spend time at school with their child. Children will show you around and will

teach you how to do the jobs in their classroom. Please mark your calendar and make it possible to come and enjoy with your child.

Our class will be celebrating Valentine's Day on Wednesday, February 14<sup>th</sup>. We will have class as usual. In the afternoon, children will decorate their bags and distribute their Valentines. If you would like your child to participate please send 22 Valentines to class with your child's name written on it. Children to wear red, pink, or purple.

We will also be spending a day or two on the two presidents so that the children understand President's Day.

This year we will be hosting Mom's night on Wednesday, February 28<sup>th</sup> from 6-7pm. This time moms please mark your calendars. Children will show you around and will teach you how to do the jobs in their classroom. Please mark your calendar and make it possible to come and enjoy with your child.

Cultural Class: In Geography we will continue studying about Asia. In Botany we will continue to talk about seeds. In Zoology, we will study snakes and lizards.

### **SPECIAL CONCERNS:**

Please ensure:

- Every item brought to school is labeled with your child's name, especially sweaters/jackets.
- Lunch orders are turned in by the date written on the forms.

Thank you,

Kavita and Yolanda
