

MONTESSORI CHILDREN'S HOUSE OF HAYWARD

NEWSLETTER – JUNE 2021

Kindergarten Room#5

Dear Parents,

It's hard to believe we're at the end of another school year. Back in September, I would never have imagined we would be finishing the year with remote learning. Although it's been a challenge, our Montessori Families have adapted and made it work. I truly appreciate your efforts! I want to take this opportunity to acknowledge each and everyone of you who helped make this year so successful. First of all, thank you to our students! I appreciate the hard work and effort you put forth every day. Again, thank you dear parents. Be it at home or school, I appreciate the countless hours you put in encouraging and supporting your child's educational needs.

May Highlights:

In class we started May with finishing up our Mother's Day project. Our little artists worked hard to create this gift for their moms. However, at home you all put together a very loving surprise for me. I was genuinely touched. Thank you so much children and parents.

Upcoming Events in June:

On Monday, June 7th will be our class picture day. Please bring children to school in their uniforms at 3 pm.

The last day of school will be Friday, June 25th. Children will be dismissed at noon. At 1 pm we will have a short end-of-the-school-year ceremony for our little graduates. You will be required to bring the children to school for the ceremony. I will update you with further details as we get closer to the date. You are all invited to this event.

Cultural Class:

We're finishing up the year with the study of Australia in geography, mammals in zoology, and fruits and vegetables in botany.

I hope you all have a safe and fun filled summer.
