

MONTESSORI CHILDREN'S HOUSE OF HAYWARD  
NEWSLETTER - MARCH 2020  
KINDERGARTEN ROOM 18

I think I can safely say that a good time was had by dads and moms at the Dads' Night and Moms' Night. It makes me feel very proud and happy to see the children show their parents all that they are learning.

Congratulations on another successful run of our amazing dragon. They had a good time and did such a wonderful job. The lion dancer was an added attraction. Thank you parents for supporting the luncheon. It was nice to see everybody.

Another busy month is here. This is conference time. There will be no school on the 12th and 13th of March. Daycare will be as usual. We will celebrate St. Patrick's Day on the 17th. Children wear green. On Monday, March 23rd, the Fairyland Puppet Theatre will perform *Peter and the Wolf* for all classes.

**Cultural Class:**

In geography we will move on to Europe and will be wrapping up our study of Reptiles and moving on to Birds in zoology. In botany we will be moving into Flowers just in time for Spring.
