

Montessori Children's House of Hayward

November Newsletter-2017

Dear Parents,

A whirlwind of autumn activities filled this month agenda with The Ardenwood Perry Farm Pumpkin Patch, Parents Conference, Halloween Party and Parade.

October Highlights

The children loved picking their own pumpkins, climbing the pyramid, wandering through the hay maze, and riding the hay wagon with their parents and Farmer Trent. Thank You For Your Support Parents!. We enjoyed talking to all parents for our first Parents Conference Meeting. The children are productive and happy as they settled in their routine work of quilt sewing, cutting apples, pumpkins and bats.

The MCH Fundraising Night at Panera Bread bakery-café at Southland Mall had a wonderful turn out. Thank You Parents for supporting MCH and staff. The Halloween Party and Parade was a success for the children. They enjoyed wearing their costumes and exchanging goody bags.

In our Cultural subjects we will finish North America/Native American Indians and move on to South America. Zoology will focus on amphibians and Botany subjects will be on leaves. Language and Math will continue on sound work, alphabet writing, memorization of numbers 1-100, addition of facts, and number sequencing.

Thank You

Yolanda & Kavita
