

MONTESSORI CHILDREN'S HOUSE OF HAYWARD

NEWSLETTER - OCTOBER 2020

Kindergarten Room 5

Dear Parents,

With September behind us, we can definitely say this will be an experience that is going to stay in our memory banks forever. Teachers, Guardians and Students worked hard to understand the log in procedures, schedules and expectations of distance learning. We will all continue to work hard to ensure that every child, every day is finding a way to become a self-directed learner. The children are now firmly into their routine and we are becoming familiar with their learning personalities and their skills. We'll have plenty to share at the upcoming Parent/Teacher conferences.

Upcoming Events in October:

Parent/Teacher conferences will be coming up on **October 22nd and 23rd**. I will provide you with more information as we get closer to the dates.

The children are already talking about Halloween. Considering the current situation, this Halloween will be different. On Friday, October 30th children will come back to class dressed in their costumes. They will give a brief description about who they are. Please understand that wearing a costume is not mandatory. Please NO Weapons.

Of Special Note: Dear parents please remember to order Scholastic books. All points earned from the order go toward purchasing books for the lending library in our classroom. NEW! During the COVID-19 crisis, you can choose to have your child's online book order shipped right to your door or delivered to me with our class order. All orders earn FREE Books for our class-thank you for your support!

Class Order Due Date: **10/06/2020**

Connect to Our Class Page: <https://orders.scholastic.com/PB2YF>

Shop the flyers with your child:

<https://editions.mydigitalpublication.com/publication/?i=667427>

Please feel free to forward the Class Page link to extended family and friends who may want to support your child's reading.

Class Code: PB2YF

Please encourage your child to pick items for sharing for Friday Share Day. Items should be something about our studies in Cultural class. At this time, we are

studying about Continents and North America in Geography, fish in Zoology and trees in Botany. They may bring pictures or books about pumpkins and Halloween. Family pictures are always welcome.

Sincerely,

Kavita Hakim

KINDERGARTEN OCTOBER CALENDAR
