

MONTESSORI CHILDREN'S HOUSE OF HAYWARD

NEWSLETTER – APRIL 2026

Room #4

Dear Parents,

Well, we marched through March and now we spring into April. Yet another month of fun filled activities in room 4.

March Highlights:

As always it was very good to talk with each one of you at Parent/Teacher conferences. It helps us understand each child better so we can work towards helping them learn and move ahead. Thank you parents for taking the time to meet with me.

We had a brief celebration for St. Patrick's Day. We read books about St. Patrick's Day. Children wore leprechaun hats which they enjoyed making.

Our egg hunt was a blast. Children enjoyed the potluck after that. Thank you everyone for your contributions.

Coming up in  **:** Hoping for some showers.

In language children will continue sentence building and will continue to learn the different consonant blends. In math we will continue with place value and start learning about money.

Earth Day falls on Wednesday, April 22. All week we will focus on our planet Earth.

In Zoology we will continue with birds, in Botany flowers. In Geography we will travel to Europe.

Lastly, parents were very kind to ask if we needed anything in the classroom. I can definitely use some lysol disinfecting wipes in the classroom. I am well stocked with everything else. Thank you so much for asking. Your continuous support is truly appreciated.

Kavita Hakim

CALENDAR:

March 31 to April 3 Spring Break. No School, No Daycare.

April 22 Earth Day

Please note Picture Day for April 10th is cancelled.
