

MONTESSORI CHILDREN'S HOUSE OF HAYWARD

NEWSLETTER - NOVEMBER 2024

Room 4

Dear Parents,

It was truly wonderful to talk to each one of you during Parent Conferences. Thank you for taking the time to come see me. I learned a lot about your child.

October Highlights

Our classroom was a busy place on Halloween morning. Our day started with decorating our Halloween bags. We then went trick-a-treating in the classroom. By the time we were done, it was time for our parade. They all looked so adorable in their costumes. It was nice to see them so confident before an audience. I'm sure you all had a delightful time. Thank you for your support.

Upcoming events in November

Our focus of course will be on the Thanksgiving holiday. We'll be telling the Thanksgiving story, emphasizing the role of the Native Americans. We'll be learning about the many vegetables and products that are a part of our culture which were contributed by the Native Americans.

We are beginning the study of amphibians in zoology. In geography, we will continue with continents focusing on South America and botany will be leaves.

Of Special Note:

Dear parents, please send all items for Friday Share Day in a **marked bag or container**. This prevents confusion, loss, and distraction. Items should be something about our studies in Cultural class.

Parents were very kind to ask if we needed anything in the classroom. At the moment I am well stocked with all the necessary items. I will reach out when I need supplies for the classroom. Thank you so much for asking. Your continuous support is truly appreciated.
