

Thanksgiving Break!

We hope you all have a wonderful Thanksgiving break with your families! Enjoy the extended weekend!

NOV OF OUR CLASSROOM

LISA's class

Before getting into our normal newsletter announcements, we'd like to take this opportunity to say "thank you" to our parents for attending our parent-teacher conference in support of your child's progress and the work of the school. Our continued partnership will ensure that our students continue to learn, progress and reach their full potential!

TRUNK OR TRICK:

Thank you to all the parent who were able to attend the drive through for your child to receive a "TREAT". With the current situation and Halloween being different this year, this event surely made them feel happy to have the opportunity to wear and show off their Halloween costumes.

THANKSGIVING FEAST:

November bring us Thanksgiving and the long holiday weekend with our families. Normally, we have a Thanksgiving party in our class each year. This year, we will be celebrating Thanksgiving with our class through a special project. Our children will actively be involved in this Thanksgiving celebration project. Our children will make a Pilgrim hat for this holiday celebration.

CLASSROOM INFORMATION:

Now our children are starting to learn about sharing objects or the pictures for "sound of the week". With that combination, they are going to learn to describe the object by using short sentences. That helps them develop their language and vocabulary effectively.
