

OCTOBER OF OUR CLASSROOM

LISA's class

We would like to take a moment to thank all of our families for your support with our classroom. The children are starting to get into the routine of coming into our classroom on a daily basis. And we are here to share and help our children through this sensitive times.

October is a fun month filled with lots of Fall activities and celebrations, the most popular of course being Halloween! Alongside all the Fall fun, we will continue to work on numbers, sounds, shapes and skills!

### Sound of the week

Starting Monday, October 4th, we will begin "Sound of the Week". I would like to ask all children to bring in an objects which makes a sound that begins with the alphabet letter of the week to share in class during sharing time. All sharing objects should be in a zip lock bag with your child's name on it. This will be placed in the classroom basket and it will be returned at end of the day. For this week, week of October 4th, the sound of the week will be "a". Each week, I will announce what the new sound of the week will be. I will also place a note on the board every week as a reminder.

Example: for the sound "a" -> the object could be: apple, ambulance, ant, etc...

### Halloween Costume:

Early childhood is a very wonderful time and there are just few short years. Let's try to help our children enjoy this age with beautiful costumes that they have hoped and waited for the entire year. We will celebrate Halloween through our class on Oct-29. Children can dress in the costumes that they like to share with their friend in classroom.

A few guidelines regarding your child's costume:

1. Please do not include accessories with your child's costume (tiara's, wands, etc.)
2. No the costume's mask
3. No weapons of any kind
