

JANUARY 2023 NEWSLETTER – ROOM 5

Dear Parents,

Happy New Year to all of our families! I hope you all had a restful and relaxing break and lots of time with your family. We wanted to say “Thank You” for all the nice cards, kind gifts, and special treats that we had received from our families! We felt truly spoiled! We are looking forward to our first month of the 2023 school year and our batteries are fully recharged. I am sure your children are all ready to see their friends and to settle into our routine again!

January Events

In Language, we will be learning the sound h, i, j, and k. Please continue to review the sound they have learned so far with the beginning sound game. We play this game every morning in the classroom.

In Writing, children continue their daily alphabet and number writing. Children will be working on the metal inset shape for oval and ellipse this month.

In Math, children will continue to learn recognition of number, putting the numbers in order and associating symbol with quantity.

In Cultural, we will be discussing the life of **Dr Martin Luther King, Jr.** I will be reading several excellent books about Dr. King and what he taught and accomplished with the hope that all people could live in peace with dignity and respect.
