

PARENT NEWSLETTER FOR NOVEMBER – ROOM 6

Dear Parents,

October Highlights

I enjoyed meeting with all of you at Parent Conferences and sharing some of the work that your child has been doing and what our goals are for the upcoming months. Keeping in mind that every child is unique and learns at a different pace, our school encourages and teaches your child to focus and to be responsible when completing his or her task. To ensure a fruitful developmental process, we advocate for a strong support system at home that helps build a foundation to make school experience more enjoyable for your child. Be confident to know that your child is growing as an individual and learning many lifelong skills, such as honesty, respect, focus, problem solving, teamwork, kindness at our school. We are very excited to be partnering with you on your child's journey toward higher cognitive, social, emotional and language development.

In Language, we have finished learning the sound a, b, c, d. Please review these sounds with your child.

In Botany, we studied about the leaves changing color – some turn red, some brown, and some yellow or red orange. We learned the difference between apple and pumpkins and we studied the pumpkin life cycle.

Upcoming Events

November brings Thanksgiving and a lot to be thankful for. The biggest blessing is to see our children talking to their friends and playing with them.

Calendar

Friday, November 11	Veteran's Day	No School
Thursday, November 24	Thanksgiving	No School
Friday, November 25	Thanksgiving	No School

Many good wishes to you and your families for a warm and happy Thanksgiving.

Kavita, Anu, & Denise
