### **BOOK ORDERS**

I would like to thank all the parents who have been ordering books for their children. Although the life of a parent is often hectic, you should try to read with your child at least once a day at a regularly scheduled time. But don't be discouraged if you skip a day or don't always to keep your schedule. Just read to your child as often as you possibly can.

### **EARTH DAY**

Earth day is April 22. On April 20<sup>th</sup>, Professionals from First-5-Alameda will come to our school to give our children a special presentation. Children will learn how to properly sort waste and compost. Children will play recycling games and make recycled crafts as well.

I would also like to each child to bring in one recyclable item for sharing on April 20<sup>th</sup>. Talk to your child about recycling and reuse.

### **JOG-A-THON**
