

Montessori Children House of Hayward Newsletter January 2018

Dear parents,

We hope that the holiday break was a relaxing one, filled with many joyous memories for each one of you. We look forward to welcoming this New Year with all of you. May this New Year bring along with it – Happiness and Good Health for all!

Thank you to those who contributed to the Christmas Party treats. The children enjoyed choosing their favorite goodies! YUM!!! We also mad ornaments for our Christmas tree - decorated it and sang Christmas carols.

January in the Classroom:

This month we will be learning about Martin Luther King. We will be discussing cooperation, acceptance; peace and caring for all people. We will also be participating in a Peace March on January 12.

Dad's Night: One of the most popular school events is coming up on Jan. 3-Wednesday. On this night children come to school from 5:45-6:30pm with their fathers, grandfather or uncles. The children work with their dads on all the jobs they usually do during class time. It's a wonderful opportunity for those fathers who are unable to observe class during the year to see the class in action and the children are always so proud of their work. Do try to make this event. Moms get their turn in March.

Parent Education Meeting: On January 11th there will be the Kindergarten Information Night" for parents who are interested in Montessori Kindergarten next year.

Take advantage of this event to start considering your options for next year!

February in the Classroom:

Chinese New Year: We will have our Dragon Parade on Feb16th.at 11:30. You are all welcome to come. Dress your child in a lot of red for good luck. During the beginning of February we will be learning about the Chinese New Year.
