

## Theme-Dress / Non-Uniform Dress Days

### 2018 - 2019

On a few special days during the school year our students may choose to "theme dress" if they wish. These special days should not be thought of as "free dress," or simply wearing whatever you want. This is simply a way of more fully celebrating a special day.

When one of these non-uniform days occurs, all children - boys and girls - must still wear athletic shoes. These are the only shoes in which they can safely run and play.
