

Theme-Dress / Non-Uniform Dress Days

2019 - 2020

On a few special days during the school year our students may choose to "theme dress" if they wish. These special days should not be thought of as "free dress," or simply wearing whatever you want. This is simply a way of more fully celebrating a special day.

When one of these non-uniform days occurs, all children - boys and girls - must still wear athletic shoes. These are the only shoes in which they can safely run and play.

FIELD TRIPS: Uniforms with school sweater or jacket will be worn on all field trips unless noted by the teacher on the permission slip.

BIRTHDAYS: Children may wear whatever they wish on the day we celebrate their birthdays. (Just remember those athletic shoes!)

1st DAY OF AUTUMN will be observed on Tuesday, September 24th.
Wear clothes whose main colors are brown, red, orange, and/or yellow.

HALLOWEEN: Children wear their uniforms to school and bring their costumes for the Historical Halloween Parade in a bag. (Children will change into costumes after lunch.)
