

# January

JAN OF OUR VIRTUAL CLASSROOM

LISA's class

Happy New Year! We hope everyone had a wonderful holiday and great a vacation.

We are closing in on the halfway mark of the school year, and what a great year it has been so far. It is flying by so quickly! It seems like just yesterday our students started their first day of school, back in September. Your children have been working very hard and it has a great pleasure to watch them improve over the past few months. Thanks again to all for your support!!!

## UPCOMING EVENTS IN JANUARY:

In January, we will be learning about animals that hibernates and migrates to warmer weather during the winter. We will have some related activities that will help the children learn. This is a really fun and interesting topic that is appropriate for this winter season.

This month we will be teaching our children who Martin Luther King, Jr. was and why he was so important. Although much of the terminology will be hard to grasp, my goal is to help our students to connect the concept of unjust, equality, and toleration. We will be conducting a lot of discussions and activities that will help the children recognize that, although our outer appearances differ from one another, we are all the same on the inside. We will also take a glimpse into the past and learn that the freedom we now enjoy weren't always available.

## IMPORTANT NOTICE:

Winter is finally here! It is very easy to catch a cold. Keep your child warm and remind them to drink water regularly.

**Happy New Year!**

### CALENDAR on JANUARY

Jan 18: Martin Luther King Jr. Day (no class)
