

OCTOBER OF OUR VIRTUAL CLASSROOM

LISA's class

We would like to take a moment to thank all of our families for your patience and support with our virtual classroom and distant learning. The children are starting to get into the routine of coming into our virtual classroom on a daily basis. And we are here to share and help our children through this sensitive times.

October is a fun month filled with lots of Fall activities and celebrations, the most popular of course being Halloween! Alongside all the Fall fun, we will continue to work on numbers, sounds, shapes and skills!

### Sound of the week

Starting Thursday, October 5th, we will begin "Sound of the Week". I would like to ask the children to bring in objects which makes sound that begin with the alphabet letter of the week to share during sharing time. The week of October 5th, the alphabet letter of the week will be "a". Each week, I will announce what the new letter of the week will be. I will include a note on your new package every week as a reminder. Example: for the sound "a" -> the object could be: apple, ambulance, ant, etc...

### Halloween Costume:

Early childhood is a very wonderful time and there are just few short years. Let's try to help our children enjoy this age with beautiful costumes that they have hoped and waited for the entire year. We will celebrate Halloween through our zoom meeting class on Oct-30. Children can dress in the costumes that they like to share with their friend in virtual classroom.

A few guidelines regarding your child's costume:

1. Please do not include accessories with your child's costume (tiara's, wands, etc.)
2. No masks
3. No weapons of any kind

### CALENDAR on OCTOBER
