

MONTESSORI CHILDREN'S HOUSE OF HAYWARD

NEWSLETTER - January 2026

Room #4

Happy New Year and welcome back! Hope you all had a wonderful winter break. I'm looking forward to settling back into our regular routines after the busy holidays. I would like to thank you all for supporting our Winter Holiday Party and making it a special occasion for the children. Thank you dear parents for all the gifts.

In January, we will be celebrating Martin Luther King Jr. day on Friday, January 16th. The children will learn about Dr. King's efforts to make the world a peaceful place.

Cultural Class -

In zoology we will be studying reptiles, in botany we will study about seeds and in geography we will move to Antarctica. Any artifacts, books or pictures in these subject areas are welcome for sharing. We will also be talking about clouds and the water cycle.

Dates to Remember

Jan 5 Classes resume

Jan. 19 Martin Luther King Jr. Day No Classes, no daycare.

Jan 31 Report cards go home for Kindergarten.
