**NEWSLETTER – May -June 2024**

**Kindergarten Room#4**

Dear Parents,

I hope you all are enjoying the beautiful work which the children are bringing home lately. It is a real pleasure to see them becoming more and more independent in class. We had a short but very busy April.

**Upcoming Events in May and June:**

We welcome May with many more fun activities. Children will learn about the celebration of May Day in different parts of the world. This year Cinco de Mayo falls on Sunday, May 5th. We will celebrate Mexican culture in our classroom on Friday. If you have anything you would like to share about Mexican culture please do so.

Monday, May 27 we will be closed for Memorial Day.

In our cultural study, for geography we will be moving to Australia and Africa. In zoology we will study about mammals, and in botany we will study about fruits and vegetables.

Finally, I must admit that it's hard to believe it is almost the end of school. The year has gone by very quickly. It has been a pleasure to teach your children this year. I am truly proud of the progress that each child has made. Thank you all for your support throughout the year!

**Just a heads up, dear parents. Our Kindergarten graduation ceremony will be on Monday, June 3rd at 1:30. More information to follow soon. Please remember to order the gowns for the graduation ceremony soon.**

**Please note, the last day of school is Tuesday June 18th.**

Thank you.
